SUMMARY

IT student and MERN Stack Developer with hands-on full-stack and data-driven project experience, currently building Generative AI applications with LangChain and LLM-powered chatbots. 1st place in the KPRIET International Student Council Hackathon and a Top 25 finalist in the Intel GenAI National Hackathon. Strong problem-solver seeking internship opportunities to contribute to real-world projects.

EDUCATION

B.Tech in Information Technology — KPR Institute of Engineering and Technology, Coimbatore · CGPA 8.5/10 — 2023 – 2027

Honors in AI & Machine Learning — KPR Institute of Engineering and Technology, Coimbatore · CGPA 8.5/10 — 2024 – 2026

+2 in Computer Overseer — Dhambojhi Higher Secondary School, Nepal · CGPA 3.33/4 — 2019 – 2021

ACHIEVEMENTS

- **1st Place** – KPRIET International Student Council Hackathon, 2026
- **3rd Place** – Science Day Tech Showcase (Solar IoT)
- Winner – Hostel Day Cricket (Captain), PSG Premier League Cricket
- **Top 25 Finalist** – Intel GenAI National Hackathon
- Participant – GCC X Shift 2025 Hackathon, InnovSense Tech Fest
- Powerlifting – 2nd Place Hostel Day, 3rd Place College Sports Week

TECHNICAL SKILLS

Languages: JavaScript, Python, Java, C

Generative AI: LangChain, LLMs (GPT, Gemini), Prompt Engineering, RAG, Chatbots

Data Science: Data Analysis, ML, NLP Basics, Visualization

DevOps (learning): CI/CD Pipelines, Docker, Kubernetes

Full Stack: MERN Stack (MongoDB, Express, React, Node.js)

Databases: MongoDB, SQL

Tools & Cloud: Git, GitHub, Postman, REST APIs, AWS Cloud

Soft Skills: Communication, Teamwork, Leadership, Adaptability, Problem-Solving

PROJECTS

HireSphere – AI Recruitment Platform | React, Node.js, MongoDB, Gemini API — AI candidate matching, resume parsing, proctored assessments and smart hiring workflows.

CampusConnect – Student Social Platform | Node.js, Express, MongoDB, EJS — Campus networking with posts, polls, anonymous Q&A and an AI campus chatbot.

InterviewPreparationAI – AI Interview Prep | GPT-4.1 — Tailored interview questions, match score, skill-gap analysis and a study roadmap.

AAPAGPT – ChatGPT Clone | MERN, OpenAI API — Full-stack conversational AI app with real-time chat history.

HerbSphere – Medicinal Plant Encyclopedia | HTML, CSS, JavaScript — Searchable plant guide by use case, sourced from AYUSH.

EXPERIENCE

Web Development Intern — MotionCut, Remote — Jun 2025 – Sep 2025

- Worked with the HR Manager on web development tasks; completed the 3-month internship with a certificate of completion.

Computer Operator — Synnet International Pvt. Ltd., Nepal — 2021 – 2023

- Delivered IT support, data entry and document handling, and maintained system operations and security.

OJT, Computer Trainee — IT Hub Nepalgunj Pvt. Ltd., Nepal — 2019 – 2022

- Mandatory 1-year OJT (3 phases): hardware and software troubleshooting, HTML/CSS, networking, cloud, CCTV and system configuration.

Trainee — Universal Institute of Computer, Nepal — 2019 – 2020

- Supported system troubleshooting, database updates and technical tasks during OJT.
